

# How to create your own digital painting on the iPad!

## 1 How to Start

Ready to start creating? Tap a painting outline inspired by the exhibition or tap “+” and create to make an empty canvas.

## 2 Using Your Tools

-  Bigger or smaller
-  Paintbrush
-  Eraser
-  Color picker
-  Different brushes
-  Undo
-  Redo

## 3 How to Save

Save by tapping the top right button and add to photos.

Come back soon to see if your painting made it on the big screen!

## If your art work disappears

You may have gone into layers, here's how to fix it.

Shows layers

**2**

Make sure layer 1 is blue in this screen.

**3**

Layer visible

Layer unlocked

Deletes layer
